

901230

SPECIFICATIONS

General

The Absorber Kit Soft Case is designed to transport ConcealFab's Front and Back Absorber Kits and Side PIM Blankets (ConcealFab 901124, 901125, 901162, & 007640-240008) to and from cell sites. The case includes a zipper pouch for bungee cords and accessories, handles for carrying, as well as tri-rings for hoisting.

Capacity

Two Absorber Kit Soft Cases are required to transport one Front Absorber Kit (901124) and one Back Absorber Kit (901162 or 901125) with a Side PIM Blanket (007640-240008). See images below for suggested packaging.
